

11th Annual

Made in Milwaukee Tour

Saturday, September 10th, 2011
Group Motorcycle Ride

All Makes and Models Welcome!

This year's tour includes stops at:

DRS Power & Control Technologies: A defense technology company which designs and manufactures power distribution systems in the 30th Street Industrial Corridor.

Snap-On Tools: An innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions.

Growing Power: A farm and food center in Milwaukee and one of the leaders in urban agriculture.

Please note: Some of the facilities we are touring may be in production. Therefore, appropriate attire will be required to enter those facilities (no open-toed shoes or shorts).

We also welcome non-motorcycle participants who prefer to drive their car to the tour stops.
